

AVIVA 50

SINGLE FILTER HALF MASK

The new AVIVA 50 single filter half mask is the next step forward in half mask technology from Scott Safety. Innovative design elements such as a reflex face seal, an easy-to-use leak check mechanism and goggle 'pinch' have been integrated into the AVIVA 50 half mask, with user comfort and protection in mind. AVIVA 50 is suitable for a variety of applications including paint spraying, chemicals and manufacturing. AVIVA 50 is suitable for a variety of applications where particulate hazards are present, it utilises the Tornado PF251 particulate filter.

PRODUCT HIGHLIGHTS

- Single filter half mask utilising the Tornado PF251 particulate filter
- Reflex seal absorbs facial movements, maintaining protection
- Easy to use leak check mechanism
- Goggle pinch - designed for improved eye PPE integration
- Enhanced voice intelligibility
- Comfortable, durable head cradle suitable for use underneath headwear
- READY-PAK option for clean storage and easy transportation

AVIVA 50

SINGLE FILTER HALF MASK

Comfortable cradle-style head harness

Simple rear fastening for easy donning & doffing

Goggle pinch - allows better integration with eyewear

Compatible with PF251/2 Particle Filter

PF251/2

Integrated voice panel, for enhanced voice intelligibility

Unique hybrid reflex seal, flexes on the face for increased comfort and fit
