

## X-plore 5500 Full Face Mask

Experience a new dimension in respiratory protection:  
**The Dräger X-plore Series**

Wherever complete respiratory and eye protection are required, the X-plore 5500 offers you comfort and safety.

The X-plore 5500 full face mask is designed on the basis of proven, reliable technology. The double-layer face seal with triple sealing action ensures reliable protection and a secure, leak-free seal regardless of your face shape.

Other highlights include the easily adjustable head harness for quick and secure donning and doffing of the mask. The large, durable visor and the "swept-back" low profile design provide an unobstructed, wide field of vision.

The X-plore 5500 is available in one universal size to fit different face sizes. Equipped with a safe and easy to use bayonet connection it is compatible with the extensive X-plore filter range.

Discover the benefits of Dräger X-plore for yourself!

### Features & Benefits

<b>Face seal</b>	Double-layer face seal with triple sealing action provides reliable protection and a secure fit for various face types.
<b>Bayonet connection</b>	For easy and secure filter attachment. Both filters are inserted in a top-down direction.
<b>"Low profile" design</b>	The swept-back design ensures an optimal field of vision and even weight distribution with superb freedom of movement.
<b>Lens</b>	Excellent, wide field of vision. Extreme chemical, thermal, and mechanical resistance.
<b>5-point harness</b>	Quick and easy to don without hair entanglement.
<b>Universal size</b>	Perfect fit for all sizes, ease of storage and spare parts handling.

### Technical data

<b>Mask body</b>	EPDM with high ageing resistance, extremely hypoallergenic
<b>Visor</b>	Polycarbonate with wide field of vision
<b>Filter connection</b>	Two side-positioned bayonet connections for use of the X-plore filter range
<b>Weight</b>	approx. 540 g
<b>Approvals</b>	EN136 Cl. 2 with CE mark and NIOSH
<b>Maintenance</b>	Spare parts available
