

AV3000HT

POSITIVE PRESSURE FACEMASK

The AV3000HT is a high performance positive pressure facemask, manufactured using innovative materials which have been engineered to provide enhanced thermal durability and improved wearer safety in the most extreme conditions.

The face seal utilizes proven SureSeal technology for maximum comfort, the dual seal provides a secure fit, the Kevlar head harness eliminates discomfort under helmets and the large visor provides excellent vision.

Dual speech diaphragms offer enhanced voice transmission around the wearer, with optional right or left Epic Communications bracket for maximum versatility.

PRODUCT HIGHLIGHTS

- Approved to EN136 Class 3, * BS 8468-1
- High performance lens and bezel for improved thermal performance
- High temperature visor
- Right or left Epic Communications bracket for maximum versatility
- Speech diaphragm on both sides for improved voice transmission
- Kevlar head harness suitable for Fire and CBRN applications
- Anti-fog coating on lens to reduce fogging
- Thermal performance passes NFPA thermal radiant heat requirement of 15Kw/M2
- Available in 3 sizes
